

Aki's Website Plan

Purpose

Aki's Portfolio Site

Goals

Highlight Aki's Projects through DBC

Consolidate Aki's output in one place

Target Audience

People interested in what Aki's doing

People who want to employ Aki

People who are just surfing the web and bored

Content

Home

Not sure what do yet. News and tweet link maybe.

Projects

List of projects/prototypes. Make interactive as possible.

Let people play with apps and provide feedback.

Blog

Direct link to blogs... maybe I'll create my own rather than link to Wordpress.

About

Aki's background, resume/CV
